Can you help us in our Greggs Breakfast Club? We cater for 70-100 children every morning from 8.10am – 8.45am. Briege & Stacey volunteer every day come hail, rain or shine. We would very much appreciate an extra set of hands to help us provide the outstanding service our children deserve. No experience required - Just a pleasant smile & welcoming manner

We are delighted to announce that our wonderful school has successfully been awarded The National Nurturing School Award. We are the first school in the country to achieve this award. Our outstanding school staff have worked tirelessly with our wonderful pupils, families and community to embed nurture in our whole school which this award recognises. We are truly proud.
